THE INFORMANT

Keeping you informed on what's happening in the world of Crime Stoppers.

NEWS

We are pleased to announce our Board is growing and we welcome our two newest members: Randy Martyn and Christine Fischer who joined July 2nd, 2008.

Our sincere regrets to learn that our Director, Jayne MacKenzie has had to leave the Board. Jayne did a lot for our organization over the past year by way of fundraising and for that we thank her immensely. She will be greatly missed.

APPRECIATION

We wish to recognize the following businesses for their financial support to our program.

COMMUNITY PARTNER : \$100 - \$999

- ◆ Celsk Benefit Promotions Inc.
- ◆ Metalumen Manufacturing Inc.

AWARENESS EVENTS

On July 23rd, our Program Coordinator, Jennifer Smith made a Crime Stoppers presentation to a group of seniors at the **Heritage River Centre in Elora**. Should you wish Crime Stoppers to speak to your group, please give us a call at 519-846-5371 and we'd be happy to arrange.

Coming up on **September 26th** our Program Coordinator along with one of our Board Directors will present to a Seniors group at the **Rockwood Library from 12:30pm-1:30pm**.

Also coming up is the second annual **Education and Career Fair on November 26th**. It will be held at **John F. Ross High School** located in **Guelph** in the evening from **6:00pm to 9:00pm**. Crime Stoppers

will be present with an information table and handouts. Please drop by to learn more about our program and how you can help to keep your community safe.

WE NEED YOUR SUPPORT

Please help us with a donation and support our successful community crime-fighting program.

Since Crime Stoppers is incorporated as a **non-profit charitable organization**, a tax receipt can be issued for all eligible donations over \$10.00.

Your contribution will cover the costs associated with our awareness campaign and pay "tipsters" for information they provide on crimes that occur right here in Wellington County.

Crime Stoppers is run by a civilian Board of Directors who volunteer their time to the program. There is a misconception that Crime Stoppers is a police program. We are not a police program, and although we work very closely with police, we receive **no** government funding to pay our callers for their information.

Money to run the program and pay our "tipsters" comes from corporate and community donations and fundraising efforts raised through the Board.
